The Sooner I Go

Perfect for fans of Colleen Hoover and Paige Toon, this suspenseful new adult romance follows an eighteen-year-old woman reeling from loss as she's drawn into an unexpected attraction—one that might expose the secrets she's tried to bury.

Seven months after her boyfriend and parents die tragically on the same night, eighteen-year-old Brynn—once an aspiring singer, now desperate for any paying gig that will keep her from ending up on the streets—sets out to rebuild her shattered world. At her new ad agency job, she's distracted by enigmatic twenty-year-old Micah. Their enemies-to-lovers attraction ignites as both struggle with secrets that could jeopardize far more than just their budding relationship.

After things turn romantic with Brynn, Micah's psychosis becomes harder to conceal. Living with his disorder has cost him relationships before, including with his estranged father; now he fears Brynn will become the next casualty.

Things are already complicated enough before a mystery girl from Brynn's boyfriend's past comes forward with threatening information and unfinished business of her own. Will she reveal Brynn's secret—and steal Micah away from her in the process?

I love you like that

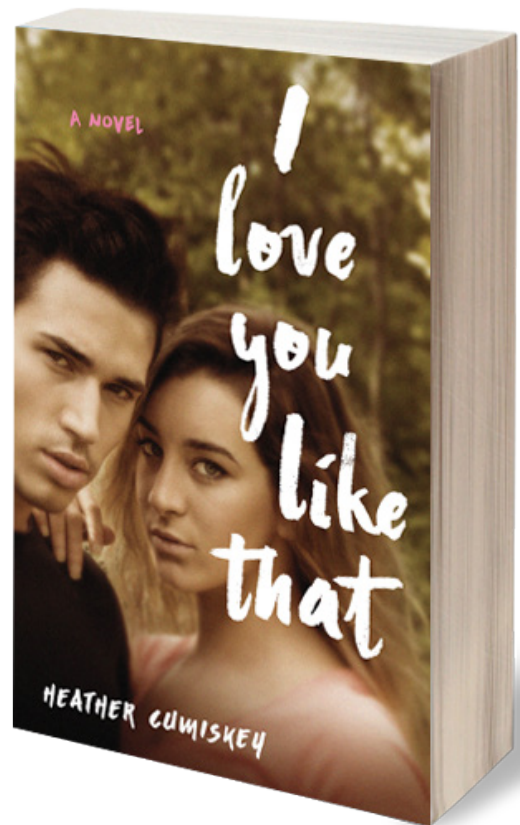

Does first love deserve a second chance?

Perfect for fans of *If There's No Tomorrow* by Jennifer L. Armentrout, *I Love You Like That* is the exciting conclusion of a poignant young adult duology about addiction, sexuality, peer pressure, and first love.

Reeling from the loss of Deacon, her dark and mysterious former boyfriend and first love, sixteen-year-old Hannah Zandana lets herself fall into the arms of the wrong boys—even as her mother's growing addiction continues to pull her family apart. With her mother hardly functional and her father in full-blown denial, Hannah and her little sister are left to their own devices—and no adult support—in their lives.

Meanwhile, after waking up in a strange hospital outside of town, Deacon learns that his convenient “death” has placed him in the middle of a federal undercover sting operation. He's soon thrown into the dangerous world of Miami drug cartels.

Will a cruel deception and a family's unresolved grief forever change Deacon and Hannah, or can love reignite and lead them back to one another? Find out in the long-awaited sequel, *I Love You Like That*.

I like you like this

A loner girl. A mysterious boy. With their peers and parents against them, can an unlikely love survive?

In 1984 Connecticut, sixteen-year-old Hannah Zandana feels cursed with wild, uncontrollable hair and a horrid complexion. Painfully aware of how invisible she is in high school, she longs to change her pathetic life by attempting to impress a group of popular girls. An ill-fated effort, except that she captures the attention of Deacon, a handsome and mysterious boy who also happens to be her school's resident drug dealer.

Hannah's life suddenly takes an unexpected detour into Deacon's dangerous and seductive world. But when their relationship and her family unravel around her, Hannah is forced to reexamine a love she once trusted—while Deacon risks it all to win her back.
